

**HIMSS10 Annual Conference & Exhibition: March 1-4, 2010**

**HIMSS 10 Interoperability Showcase: March 1-3, 2010**

***Atlanta, Georgia – World Congress Center***

---

---

**HIMSS10 Interoperability Showcase Monthly Info & Planning  
Webinars: Monthly Webinar #3:**

**Thursday December 17 & Friday December 18, 2009**

**HIMSS Interoperability Showcase Team**

**[interoperabilityshowcase@himss.org](mailto:interoperabilityshowcase@himss.org)**

**Todd Cooper, Consultant, PCD**

**Lynn Felhofer, NA Connectathon Tech PM**

**Manny Furst, Consultant, PCD Technical PM**

**John Donnelly, Consultant, Showcase Technical PM**

**Lori Fourquet, Consultant, IS Planning Committee**

**Allie Grassie, ISPC**

**Michael Glickman, Consultant, IS Planning Committee**

**Glen Marshall, ISPC**

**Steve Moore, NA Connectathon Tech PM**

**Shelley Melanson, Pegasus Productions**

**Michael Nusbaum, Consultant, IS Planning  
Committee**

**Celina Roth, IHE Manager, HIMSS**

**Joyce Sensmeier, VP, HIMSS**

**Lisa Spellman, Senior Director, HIMSS**

**Larry Wolf, ISPC**

**Teresa Wisdom, HIMSS-HITSP**

**Bob Yench, Consultant, HITSP**

**And many more...**

# Agenda Overview

## PART I

**Lisa Spellman:** Senior Director,  
Informatics, HIMSS IHE  
Secretariat

- **Welcome**
- **Purpose of these Webinars**
- **Key Upcoming Dates & Activities**
  - Including Maximizing your Showcase Presence today @ 10:30amCT!
- **IHE 2010 NA Connectathon & Connectathon Conference**
- **Q&A for Part I**

## PART II

**John Donnelly:** ISC10 Technical  
Project Manager

- **Themes & Scenarios Update**
  - Update & approach for 2010
- **System Categories & Participant Priority Selection Process**
- **Virtual Testing**
- **Preparing for IHE 2010 NA Connectathon**
- **And more**
- **Q&A for Part II**

# Intended Audiences & Purpose for these Monthly Webinars

- **Audiences**
  - All participants Technical & Marketing
- **Purpose is to provide ...**
  - 1x/month “touch base” for *all* participants- Technical & Marketing
  - Ensure success & excitement!
- **Reminder for**
  - Key Dates & Deliverables
  - Other activities
- **Inform about changes / revisions**
- **Or in other words...**
  - Right & Left hand management & Coordination!

# ISC10 Guidelines Documents

*Reminder – Use early & Often!*

**Each participation level has a document**

- ***Guidelines for***

- *Leadership*
- *Implementer*
- *Organizational*
- *Supporter*

- **Video Production....Pegasus**

- How to reach & Deadlines

- **Atlanta details, including**

- When to arrive & mandatory Showcase staffing hours

- **IHE 2010 NA Connectathon reminders for major tasks**

- **And more...**

- **Missing yours? Email**

- **Michael Rapp, MD, JD, FACEP**

- Director of the Quality Measurement and Health Assessment Group, Office of Clinical Standards and Quality, at the Centers for Medicare and Medicaid Services (CMS).
- Responsible for evaluating and supporting implementation of quality measurement systems to assess healthcare quality in a broad range of settings, including hospitals, doctor offices, nursing homes, home health agencies, dialysis centers.

- **Vish Sankaran, Program Director, Federal Health Architecture, Office of the National Coordinator (ONC) for HIT for HHS**

- **Rick Cnossen - President and Chair, Board of Directors, Continua Health Alliance - Director of Personal Health Enabling, Intel Digital Health Group**

- Director of Personal Health Enabling for Intel in its Digital Health Group with a focus on medical device interoperability standards.

# Part 1 Wrap & Q&A

**Ending early today to encourage everyone to pop over to the “Maximizing your Showcase Presence**

- ***Don't miss this important Webinar- Maximize your HIMSS10 Interoperability Showcase Presence!* Click here to [Register now](#) for this new Webinar.**
- **Thurs. December 17, 2009 at 10:30-12:00 pm CT**
- **We will cover new ideas to impact your effectiveness at the HIMSS10 Interoperability Showcase. The agenda will include:**
  - How to improve your Showcase demonstration
  - Preparing a script
  - Focusing on your audience
  - Promoting your participation to your clients who visit the Showcase

# Transition over to Part 2

## PART II

**John Donnelly: ISC10 Technical Project Manager**

- **Themes & Scenarios Update**
  - Update & approach for 2010
  - Scenario matrix and inventory results
- **System Categories & Participant Priority Selection Process**
- **Virtual Testing**
- **Preparing for IHE 2010 NA Connectathon**
- **And more**
- **Q&A for Part II**

# Scenario Categories

- **Imaging System Partners**
  - **Radiology, Cardiology incl XDS-I**
- **Infrastructure**
  - **XDS, PIX/PDQ, ATNA**
- **Device Connectivity System Partners**
  - **PCD incl EHRs that support DEC profile**
- **Population Health System Partners**
  - **QRPH incl EHRs that support RFD, QED, and related HITSP content**
- **XD\* Client Systems**
  - **XD\* Document Sources and Consumers**

# System Information Survey

- **Selection of system role in the “real world”**
  - Infrastructure Service, Hospital PM/EMR, Ambulatory PM/EMR, PHR, Medical Device, Public Health System, Middleware, etc
- **Confirmation of participation categories designated (as determined from kudu registration entries)**
- **Indication of the ability for the system to be run remotely – from a separate client PC in a Showcase “mini-theater”**

# Scenario Participation Priorities

- **XD\* Client systems only (at this time)**
- **First, Second and Third priorities requested**
- **Use of Scenario Snapshot Documents for scenario information**
- **Entries:**
  - Identification of scenario and step/scene
  - Identification of “from” or “to” system in that scenario step (REMEMBER: scenario step sequencing may bring additional requirements from previous/subsequent step)
  - Emergency Care [example](#)

# Virtual Showcase Testing

- **Leverage Virtual Connectathon testing for some infrastructure interaction transactions (PIX/PDQ, XDS) in early December**
- **Mandatory Virtual Showcase Testing sessions to be conducted after the Connectathon event**
  - **Commencing w.o Jan 25, 2010 for 4 weeks**
  - **Same clinical scenarios but run over a WAN link**
    - ➔ **PREPARE YOUR IT DEPT FOR A HOLE TO BE “PUNCHABLE” IN YOUR COMPANY’S FIREWALL**
- **VST sessions to be organized around specific clinical scenarios and potentially system participation categories (e.g. Infrastructure, PCD, etc)**

# Preparing for Connectathon, and Beyond

## ● Key Pre-reqs

- Mesa Testing Complete
- Company Firewall Ready for Virtual Showcase Testing

## ● Scenario Readiness

- Complete system info survey..today!!
- Review matrix and potential roles for your system(s)...respond if off-base
- Complete configuration entry for Geneva application for showcase “patient” registrations
- Complete priority survey (w.o. 12/21)

- All information will be distributed via the GoogleGroups and posted on [www.interoperabilityshowcase.org](http://www.interoperabilityshowcase.org)

Q & A
